

REMARKS

This amendment is supplemental to the amendment to the claims submitted with the reply dated July 27, 2007 to the previous Office action.

Claim 23 is merely amended to move "is" in its proper location.

Claim 27 is amended to make this claim dependent from claim 23 and not cancelled claim 1.

Claim 30 is amended to provide proper antecedent basis to the "maximum angle of rotation."

Claim 31 is amended in view of the amendment to claim 30.

These amendments are provided to correct minor informalities found during a review of the claims.

As a result of this amendment, and further in view of the reply of July 27, 2007, it is respectfully submitted that the application is in condition for allowance. Accordingly, it is respectfully requested that every pending claim in the present application be allowed and the application be passed to issue.

If any issues remain that may be resolved by a telephone or facsimile communication with the applicant's attorney, the examiner is invited to contact the undersigned at the numbers shown below.
